
Standard Business Reporting

Welcome to the conference!

XBRL.se

- The association XBRL Sweden, created in the spring of 2004 by the auditor organization FAR together with the accounting organization SRF.
- Our purpose:
 - Information and communication around the XBRL standard (and SBR)
 - Cooperation with relevant organizations (national and international) to accomplish a Swedish SBR –implementation
 - Support Taxonomy Development
 - Monitor that the standard is properly applied
- XBRL = Swedish official Standard for electronic financial reporting
SS 40100:2015
